

REMARKS

The Office Action mailed December 5, 2005, set forth a restriction requirement alleging that Group I, claims 1-21, were drawn to a resin, while Group II, claims 22-31, were drawn to a preparation method. Applicants hereby elect claim Group I, claims 1-21, for continued prosecution, without traverse. Applicants have canceled claims 22-31, without prejudice or disclaimer. Indeed, Applicants may pursue claim Group II in a divisional application.

All claims 1-21 are believed to be in condition for allowance, and the Examiner is respectfully requested to pass those claims to issuance. If the Examiner believes a teleconference will expedite the examination of this application, the Examiner is invited to contact the undersigned attorney at 770-933-9500.

No fee is believed to be due in connection with this Amendment and Response to Restriction Requirement. If, however, any fee is deemed to be payable, you are hereby authorized to charge any such fee to deposit account 20-0778.

Respectfully submitted ,
